Avvertenze per la posa:

visto l'alto grado di stonalizzazione della serie (V3)/(V4), per ottenere un effetto ottimale della posa, Domus consiglia di miscelare le piastrelle prelevate da diverse scatole.

For laying:

due to the high degree of shade variation (V3)/(V4), in order to obtain an optimal aesthetic natural effect, Domus recommends to lay down tiles, taken out and mixed from different boxes.
