

REGOLO

Minimalismo Materico
Materic Minimalism

Dalla chiara vocazione architettuale, Regolo, realizzato in grès smaltato in pasta bianca, si sposa ad applicazioni per il residenziale, il retail e l'hospitality.

Oltre alla versione Flat, con superficie piana e uniforme o iridescente, Regolo è anche Textured con strutture a rilievo: Domino 50 e 100, Tatami e Bamboo. Per ottenere un risultato a regola d'arte, posare con fuga 2 mm.

With its clearly architectural vocation, Regolo, made of glazed stoneware in white body, is ideal for residential, retail, and hospitality premises. In addition to the Flat versions, with their smooth and uniform or iridescent surfaces, Regolo is also available in the Textured Domino 50 and 100, Tatami and Bamboo versions with bas-relief motifs and structures. To obtain a perfectly final result, lay with a 2 mm joint.
