La serie abbina le caratteristiche tecniche del Full Body, gres porcellanato colorato in massa, alla particolarità delle forme geometriche dal sapore retrò.

Disponibile nella composizione su rete (ottagono 10x10 e tozzetto 3,5x3,5), viene proposto in 11 varianti monocolori coordinabili con le bordure e gli altri formati della linea Full Body. Ideale per la pavimentazione di ambienti sia pubblici sia privati combina alla resistenza del materiale una superficie antiscivolo R10 A+B.

Utilizza la nostra applicazione Full Body Art Déco per creare la tua composizione per la serie ottagonono.

([www.cesiceramica.it/progetta-online / art déco](http://www.cesiceramica.it/progetta-online/art-deco))

This range combines Full Body technical features (unglazed porcelain R10 A+B) and geometrical shapes, giving a vintage zest to the final product.

It is available in 10x10 patterns on mesh (octogone and taco) in 11 plain colors which match with borders and other sizes of Full body range.

It is the ultimate product for both public and private flooring thanks to its antislip surface.

Use our Full Body Art Déco to create your own composition.

Numerose soluzioni per rifinire gli angoli e il perimetro delle pareti, creando un disegno, un decoro, trasformando il vostro pavimento in un vero e proprio tappeto. Le bordure sono disponibili miscelando i 10 colori Full Body: gres, xeno, sodio, bromo, alluminio, fluoro, nickel, carbonio, giada e zaffiro. Per facilitarne la posa sono forniti già su rete e abbinabili a tutti i formati delle piastrelle Full Body e Art Decò. Ideale per la pavimentazione di ambienti sia pubblici sia privati combina, alla resistenza del materiale, una superficie antiscivolo R10 A+B.

It offers many solutions for finishing corners and wall perimeters which can create patterns, allowing your floor to become a carpet.

Borders are available in 10 Full Body colours: gres, xeno, sodio, bromo, alluminio, fluoro, nickel, carbonio, giada and zaffiro. They are supplied on net and match with all Full Body and Art Decò tiles.

Perfect for both public and private flooring thanks to its hardwearing Antislip R10 A+B surface.
